

# thank you Brown & Beattie

for your generous gift this holiday season

Established in 1981, Ronald McDonald House Charities Toronto is a charity that provides a **“home away from home”** for seriously ill children and their families who must travel to Toronto to receive specialized medical care.

The families we serve – **over 4,300 this year alone** – come from communities large and small throughout Ontario, across Canada and around the world.

Our **House** is a supportive home. It is able to accommodate 81 families and has been thoughtfully designed to meet their needs. Located just metres from The Hospital for Sick Children, it offers spaces for eating, resting, playing and learning.

Our in-hospital **Family Rooms** provide parents with a place to rest and retreat just steps away from where their sick child is being treated.

**“It’s hard to put into words what this place means to us. It’s safety and provision. Rest and renewal. Peace in a storm.”**

## Czyz Family

*Home:  
Midland, ON*

*Stay at the House:  
257 nights*

At age six, Olek was diagnosed with leukemia. So his parents packed up their family and drove two and a half hours to save Olek’s life.

### Your support keeps families close.

Close to the specialized care their children require. Close to other families who know what they’re going through. And most importantly, close to one another.

**Take pride in the amazing impact your gift has on their lives.**

**\$155:**

cost to accommodate one family for one night

**55km:**

Distance away a family must live to stay at the house
